

NOVA ROYALTY FILES Q3 FINANCIAL STATEMENTS, MD&A, AND CLOSES TACA TACA ROYALTY TRANSACTION

Vancouver, British Columbia. November 30, 2020 – **Nova Royalty Corp.** (TSXV:NOVR) (“**Nova**” or the “**Company**”) is pleased to announce that it has filed its financial statements and management discussion & analysis for the nine months ended September 30, 2020 on SEDAR (www.sedar.com) and on the Company’s website www.novaroyalty.com.

COMPANY HIGHLIGHTS

During the three months ended September 30, 2020, and subsequent period the Company:

- increased the number of royalties held by the Company to 17 through the following notable transactions:
 - acquired a portfolio of nine royalties from Transition Metals Corp. (“TMC”), including Rio Tinto Exploration Canada Inc.’s (“Rio Tinto”) Janice Lake Project in Saskatchewan, for total consideration of \$1,072,500 in cash and 525,000 common shares of the Company, as well as contingent payments of \$1,000,000 in cash and \$1,000,000 in common shares upon the occurrence of certain milestones with respect to the Janice Lake Project.
 - acquired a 2.4% NSR royalty on a portion of the Twin Metals Minnesota’s copper-nickel-platinum group metals project (the “TMM Project”) located in Minnesota owned by Antofagasta plc (“Antofagasta”) from a subsidiary of Boart Longyear Ltd. (ASX:BLY). Up-front consideration consisted of US\$1,800,000 in cash and 161,572 common shares of the Company, with additional conditional payments totaling up to an additional US\$4,000,000 payable in cash and common shares upon the completion of certain milestones with respect to the TMM Project; and
 - acquired a 0.24% NSR royalty on the Taca Taca copper-gold-molybdenum project in Salta Province of Argentina (“Taca Taca”) from certain private sellers for up-front consideration of approximately US\$8,500,000 and 2,000,000 common shares of the Company, with additional payments of US\$500,000 six months after closing, US\$1,000,000 twelve months after closing, and US\$500,000 twenty four months after closing;
- secured a convertible loan facility of up to \$13,000,000 with Beedie Capital (“Beedie”) to fund acquisitions of new royalties and streams. The loan was funded by way of an initial advance of \$3,500,000 at closing, and the remaining \$9,500,000 available for subsequent advances in minimum tranches of \$1,500,000 over the term of the loan. The initial advance is convertible into common shares of the Company at a conversion price of \$1.00 per share and with respect to any subsequent advance, at a conversion price equal to a 20% premium above the 30-day volume-weighted average price (“VWAP”) of Nova’s common shares on the TSX-V. The loan carries an interest rate of 8.0% on advanced funds and 1.5% on standby funds available, with the principal payment due 48 months after closing. Nova has an option under the loan to defer any interest payments during the first 24 months. Beedie also committed to and subsequently funded a subscription of \$2,000,000 in the Company’s public offering that closed in November 2020;
- appointed Mr. Brett Heath and Mr. E.B. Tucker to the Board of Directors as the Non-Executive Chairman and a Non-Executive Director, respectively, and Mr. Bill Tsang, as Chief Financial Officer of the Company.

- filed and obtained a receipt for its final long form non-offering prospectus from the securities regulatory authorities in the Provinces of British Columbia and Alberta;
- listed the common shares of the Company on the TSX Venture Exchange (“TSX-V”). The common shares of the company began trading at the opening of the market on October 1, 2020, under the ticker symbol “NOVR”;
- applied to list its common shares on the OTCQB Venture Market (“OTCQB”);
- filed its final short form base shelf prospectus (the “Base Shelf Prospectus”) with the securities regulatory authorities in British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, New Brunswick and Nova Scotia enabling the Company to make offerings up to \$150,000,000 in common shares, warrants, subscription receipts, share purchase contracts, units and debt securities or a combination thereof of the Company from time to time;
- completed a best-efforts public offering by way of prospectus supplement to the Base Shelf Prospectus for a total of 9,947,500 common shares of the company at a price of \$1.45 per share for aggregate gross proceeds of \$14,423,875
